

# 論争支援マルチ・モーダル実験システム

Mr.Bengoは、「目」と「耳」と「口」の機能と、相手の意見を聞いてそれに反論するという「考える」機能を持っています。このシステムの助けを借りて、論争を疑似体験してみましょう。

# An Experimental Multi-Modal Debate System

A "MrBengo" system has multi-modal functions that is similar to human's "EYES", "EARS" and "Mouth." Adding to this, the system equips functions "Thinking," that enables to debate with an opponent. Let's virtually debate with a help of this system.
